Visual Art Classes

Course: Advanced Watercolor Workshop: Independent Studio
Program # 3589-20-LSA
8 Mondays, January 20 – March 9, 1:45-4:45pm
St. Luke’s Episcopal Church, 4011 Major Ave., Upper Room

Instructor: Name: Lynn Tarnoff
Email: lynn.tarnoff@wisc.edu
Website: https://lynntarnoff.wixsite.com/artist
Phone: 262-498-9139

Description:
Plunge in and work on your own watercolor projects. Experienced watercolorists, ready to
work independently, will maximize painting time, solve challenges and learn to make
corrections in this fun guided studio. Bring works in progress or challenge yourself with
something new. Instructor guidance and support from like-minded artists will boost your
creativity through group critique and individualized instruction.

Objectives:
1. Explore the fundamental elements of making a painting.
2. Build upon technical and observational skills.
3. Understand the physical make up of watercolor and how to use these properties to
   your advantage.
4. Understand how to use watercolor properties to your advantage.

Supplies:

Note: All supplies are suggestions. Mention of a brand or retailer should not be considered UW-
Madison endorsements. Students may make substitutions.

Required:
- Drawing board
- Plastic table cloth
- Graphite Drawing Pencils HB or B, (mechanical with extra lead or pencil
  with sharpener)
- Kneaded eraser
- Paper towel
- Painter’s tape
- Container for water (recycled jar)
Visual Art Classes

- Preferred watercolor supplies including paints, brushes, paper, and various tools.

Please get the size of paper you feel most comfortable working on.

[A note about paper surface. Cold pressed paper is most common; it has a pebbly surface that imparts texture in the painting. Hot pressed paper will have a smoother line and will allow for finer line work and detail.]

- Brushes
  It is helpful to have a variety of brushes.

- Paints
  It is helpful to have a basic palette of colors that you can add to. Feel free to bring any paints that you have.

Budget:
Supplies:
Required:
- Drawing board ($15)
